## Supporting College Posts

February 2020

“I have never thought of myself as someone who becomes attached to institutions, yet I have become very involved with St Catharine's and feel very affectionately towards it. My relationship with the College – and that means of course with the people in it – is enormously important to me. I feel a sense of belonging, and belonging to the College community is like belonging to a family: something one cares about and derives support from.”

## 1. Supporting College Posts

The history of St Catharine's has been built on more than its site and the academic achievements of those who have passed through it. The history of our College has been shaped by the contributions of key people in posts that shape its character and ethos. Paying homage to the exceptional contributions of Fellows in the Chaplaincy and the Library, and protecting their place forever as permanently and independently funded posts is a matter of importance to the Master and Governing Body.

We are seeking support to endow the Fellowship post of the Fellow Librarian post, currently held by Dr Colin Higgins; the Fellow Chaplain post, currently held by Reverend Dr Ally Barrett.

## 2. Proposal

The Master and Fellows welcome gifts in support of these Fellowship posts, with targets of £1.2M for the Fellow Librarian, and £1.5M for the post of the Chaplain. Naming opportunities for posts might be secured for gifts of £1m and above.

We look forward to awaiting your written instructions with your donation. Please make your cheque payable to 'St Catharine's College' or make your donation by bank transfer:
